Election Supervisor Kelly Chatman read the minutes from the past meeting. Kelly Chatman made a motion to accept the minutes as given with no corrections. The motion was 2nd by Konried Etheridge. All votes yes to accept the minutes as given with no corrections. No one opposed.

The new business discussed was looking for contractors to rebuild the porch at the trailer located on Hwy. 57 next to the transit office. The board will assist in looking for contractors to build the porch. Those who are interested will contact the elections office. Konried discussed combining some of the smaller precincts. I advised that we would research what it would take & which precincts it would benefit. We also discussed poll worker pay. I advised that I have emailed some counties about the same size as Wilkinson to get a survey of what they are paying their poll workers to compare it to what we are currently paying. Kelly advised the board that the elections office participated in McIntyre May Day on May 6, 2023. We also are planning to do another voter registration event at the courthouse during the summer on court day to try to get more voters & poll workers. The board all agreed that it was an exceptionally promising idea. We discussed the touring of the Toombsboro precinct. The building is not ready at this time, but we will get it done soon. Iyonna gave a report on Garvis & she presented the latest cancelled voter list to the board. At 503, Konried Etheridge made the motion to adjourn the meeting. The motion was 2nd by Kelly Chatman. All voted to adjourn. No one opposed.
